

# TASTING TOUR

## PASSPORT

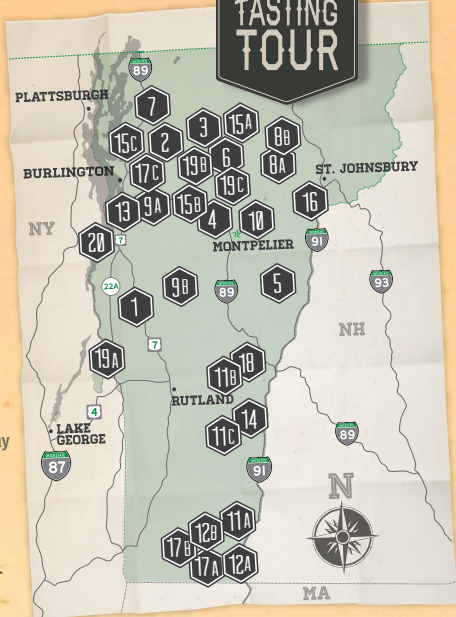

Enjoy all of the state's spirits as you sip your way through our statewide tasting tour, traversing the majestic Green Mountain State with stops along the way at each of our member distilleries. Sample local flavors as you observe the distilleries in action, visit the tasting rooms, and discover what makes each spirit unique.

Visit each member distillery and send your photos (or social links) from each visit to [info@distilledvermont.org](mailto:info@distilledvermont.org). We will send you a prize and make you famous on social media! Make sure you are in front of a sign so we know where you were!
